

Weather for June 2025

Ross Road,
Stanley

The weather data below have been taken from the automatic weather station attached to the customs building on Ross Road.

Rainfall

54.6 mm

Average
Temperature

3.5 °C

Maximum
Temperature

10.8 °C

Average
Wind Speed

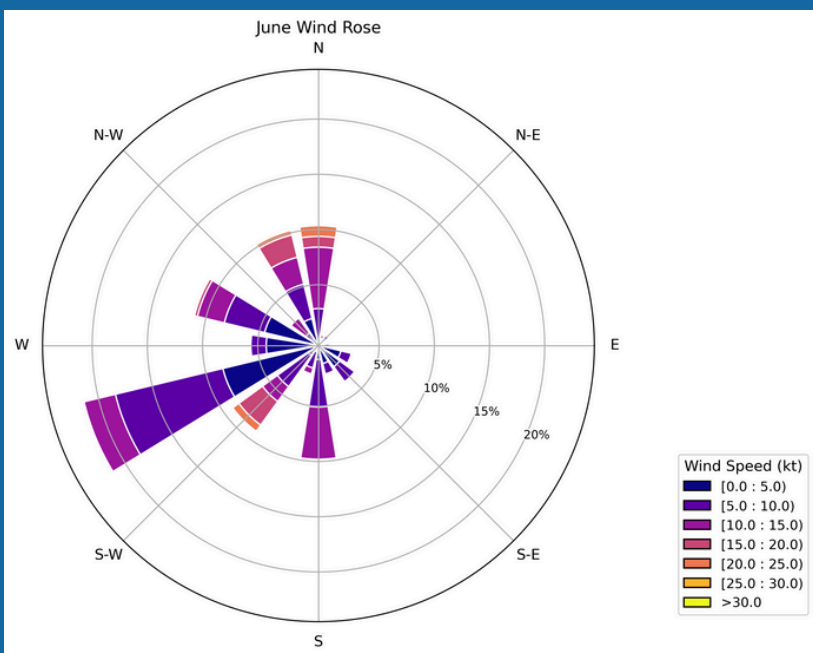

8.0 Kts

Average
Wind Direction

WSW

Minimum
Temperature

-3.3 °C

The wind rose shows the general wind speed and direction for that month.

The circle represents the different directions, with a 'wedge' representing where the wind blew **from**.

The length of each wedge shows how often the wind blew from that direction.

The different colours indicate the different categories of speed.

In this example, the main wind direction was from West-South-West 21% of the time and was from the North around 10% of the time.
